Piroshki & Clam Chowder Dinner

With the hustle and bustle of the upcoming Thanksgiving holiday, this week's Fall Market Meal is a delicious, easy to prepare menu featuring T&Y Bakery's famous piroshkis, a beef or vegetable filled pie. T&Y is an authentic Russian bakery, and their piroshki recipe dates back many generations. Available with beef, cabbage or potato filling, they are a great grab-and-go meal. We recommend serving them along with Tusquellas' Clam Chowder for a comforting fall dinner. Or, serve with a side salad made from fresh vegetables from Farm Fresh Produce.

Fast preparation method: Place piroshkis on a microwave-safe plate and cover with a paper towel. Microwave on high for 30 seconds per piroshki.

For crispy piroshkis: Preheat oven to 375 degrees. Place piroshkis on a cookie sheet and bake for 10 minutes.

Serve along with Tusquellas' famous New England Clam Chowder or a freshly made salad. Half sour dill pickles also make a delicious accompaniment. Serve T&Y's homemade assorted pastries for dessert.
